# *First-Time-in-College*
# *Admission to New College of Florida*

## Strongly Recommended

the most challenging curriculum available at your school
average at least 5 academic courses per year

## Approximate Order of Importance of Major Application Factors

1. level of difficulty of course work
2. grades
3. writing
4. SAT or ACT scores
5. letter of recommendation
6. activities

The Admissions Committee may consider an applicant's demonstrated interest in attending New College and allocation of limited guaranteed scholarship resources as criteria for admission to New College.

## Application File: Your Required Materials

- **Common Application** (submit with all the following: 1 essay, application fee or waiver, <u>and</u> NCF Supplement)
- **Official transcript(s)** sent directly to us from each school
- **Official SAT or ACT scores** sent directly to us from the testing service or via official transcript
- **Academic recommendation** sent directly to us from your school or the person writing on your behalf

*International students, and students who have attended schools in other countries, <u>may</u> have additional paperwork and/or testing requirements. If you think this might apply to you, or if you have any questions, please contact your admission counselor. Transfers and other students with college course work should ask about college credit and the admission process.*

*If the application fee poses a financial hardship, check with your guidance counselor about submitting a NACAC College Board or ECO fee waiver request form.*

## Fall 2012 Enrolled Freshman Statistics (Middle 50%)

Weighted GPA* 3.72 – 4.28
SAT 1230-1380 (Critical Reading + Math)
ACT 26-31 (Composite)

**Weighted GPA as calculated by New College, representing core academic courses and weighting ½ point for honors, 1 point for dual enrollment, 1 point for AP/IB/AICE.*
