OTHER UNTAXED INCOME VERIFICATION — DEPENDENT

Your Free Application for Federal Student Aid (FAFSA) was selected for a process called "verification". Federal regulations require that we check the accuracy of the information provided on the 2014-2015 FAFSA with this worksheet and requested documents. We need clarification of all *other untaxed income information* reported on your original FAFSA. Please complete this form and return it to the Office of Admissions and Financial Aid.

Final eligibility for aid cannot be determined until all requested documentation is received and the verification process is complete. Additional documentation may be required in order to complete the verification process.

Student's Last Name Student's First Name	Student's ID Number
Student's Email Address	Student's Phone Number

Please read carefully. If a section is incomplete, it may delay the processing of your aid.

Please complete all items below reporting the amount that the student and parent(s) received from each source for the entire 2013 year. If an item does not apply, enter "N/A" for Not Applicable where a response is requested or enter "0" where an amount is requested.

In order to determine the correct annual amount for each item: If you paid or received the same dollar amount every month in 2013, multiply that amount by the number of months in 2013 you paid or received it. If you did not pay or receive the same amount each month in 2013, add together the amounts you paid or received each month.

If more space is needed, provide a separate page with the student's name and ID number at the top.
