HIGH SCHOOL COMPLETION STATUS

Your Free Application for Federal Student Aid (FAFSA) was selected for a process called "verification". Federal regulations require that we check the accuracy of the information provided on the 2014-2015 FAFSA with this worksheet and requested documents. We need clarification of your *high school completion status* as reported on your original FAFSA. Please complete this form and return it to the Office of Admissions & Financial Aid.

Final eligibility for aid cannot be determined until all requested documentation is received and the verification process is complete. Additional documentation may be required in order to complete the verification process.

Please read carefully. If the proper documentation is not provided to our office along with this form, it may delay the processing of your aid.

Provide **one** of the following documents that indicate your high school completion status when you begin college in 2014-2015:

- A copy of your high school diploma.
- A copy of your final official high school transcript that shows the date when your diploma was awarded.
- A copy of your General Educational Development (GED) certificate or official GED transcript that indicates that you passed the exam.
- A copy of a state-authorized high school equivalent certificate.
- For students who completed secondary education in a foreign country, a copy of the "secondary school leaving certificate" or other similar document.
- An academic transcript that indicates you successfully completed at least a two-year program that is acceptable for full credit toward a bachelor's degree.
- If State law requires a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or its recognized equivalent), a copy of that credential.
- If State law does not require a homeschooled student to obtain a secondary school completion credential for homeschool (other than a high school diploma or it recognized equivalent), a transcript or the equivalent signed by the student's parent or guardian, that lists the secondary school courses the student completed and includes a statement that the student successfully completed a secondary school education in a homeschool setting.

If you are unable to obtain the documentation listed above, you must contact financial aid staff in order to determine how to complete this requirement.

Each person signing this form certifies that all the information reported on it is complete and correct. BOTH student and parent signatures are required on this form.

WARNING: If you purposely give false or misleading information on this worksheet, you may be fined, sentenced to jail, or both.
