

## CAMPUS VISIT REQUEST FOR TRANSFER STUDENTS

INFORMATION SESSION — An admissions representative will describe New College's academic program, admission requirements, and student life. Sessions are informal and your questions are encouraged. (Prospective students, family, and friends welcome.)

CAMPUS TOUR — Your guide will familiarize you with the academic buildings, and take you into the library's Thesis Room, our renovated fitness center, and a residence hall room. Most tours are led by current New College students, so you can learn more about the college from a student's point of view. (Prospective students, family, and friends welcome.)

CAFÉ/CAFETERIA — We encourage you and your guests to spend some time visiting our student-run Four Winds Café or the cafeteria in Hamilton Center (before or after the Information Session and Tour), so that you can meet New College students informally. With advance notice, we may be able to arrange for you to meet a student for lunch. **Note:** These venues close for the summer and other school breaks; the café typically closes for exam week as well.

CLASS VISITS — Only prospective students may attend classes. Please call us in advance, to arrange your class visit. **Note:** Class visits are unavailable during the summer, other school breaks, and exam week.

Please advise us in advance if you require any special accommodations during your visit.

Our Admissions Welcome Center will be closed June 23-27 and July 14-18.
