Portalguard 2 factor user enrollment and usage

This document will detail steps users can take to enroll a secondary email address or cellphone number with regards to 2 factor authentication in Portalguard.

Procedure

How to Register Secondary Email address in Portal

- Log into the myNCF portal (myncf.ncf.edu) as normal
- Click the "User Account Management" hyperlink
- Pull down the "Registered Email Address" tab and then click the "Add my email" hyperlink

Account Details & Activity	
Challenge Questions	
Registered Email Address	
Registered Email /	Address
Email Address:	
Confirmed On: [Never]	
Add my email	
Enable/Disable Multi-Factor	

- Type in your secondary (non-NCF) email address and the click the "Continue" button.
- A verification email will be sent to the secondary email address you entered with a code. Retrieve that code, type it in the "One Time Passcode" box and click the "Continue" button.

• If you see the "Email Enrollment Successful" box you are now enrolled

How to Register Cellular Phone in Portal

#Note: Not all cellphone providers are supported. If your provider contracts it's service from larger providers (i.e. straight talk, consumer cellular) you will choose below who they contracted service from (i.e. verizon, att&t)

- Log into the myNCF portal (myncf.ncf.edu)
- Click the "User Account Management" hyperlink
- Pull down the "Registered Phones" tab and then "Add new phone" hyperlink
- Choose the origin of your cellphone service provider in the "Country" block.

- Type your phone number in the "Phone Number" block
- Choose your service provider in the "Phone Provider" block
- Click the "Continue" button
- A verification code will be sent to the phone that was registered. Retrieve that code, type it in the "One Time Passcode" box and click the "Continue" button.
