

### Degree Pathway – Associate in Arts to NCF Biology

This Degree Pathway supplements that Memorandum of Understanding between Lake-Sumter College and New College of Florida effective as of September 1, 2021.

The following is a prescribed curriculum for completing an AA degree for transfer for a **Biology Area of Concentration** at **New College of Florida**. Developmental courses and prerequisite course requirements, credit loads, and/or course availability may affect a student's individual progress. Students should always consult their online degree planner and/or advisor(s) for the catalog year they entered their college and contact their academic advisor to better understand typical course availability and individual program planning.

Course	Credits
Area I - ENC 1101 College Composition I	3
