

### Degree Pathway – Associate in Arts to NCF

This Degree Pathway supplements that Memorandum of Understanding between Lake-Sumter State College and New College of Florida effective as of September 1, 2021.

The following is a prescribed curriculum for completing an AA degree for transfer to an **Undeclared Area of Concentration at New College of Florida**. Developmental courses and prerequisite course requirements, credit loads, and/or course availability may affect a student’s individual progress. Any listed course may be taken in an Honors format to satisfy the requirement. Students should always consult their online degree planner and/or advisor(s) for the catalog year they entered their college and contact their academic advisor to better understand typical course availability and individual program planning.
