

Degree Pathway – Associate in Arts to NCF Marine Biology

This Degree Pathway supplements the Memorandum of Understanding between Florida SouthWestern State College and New College of Florida effective as of September 1, 2021.

The following is a prescribed curriculum for completing an AA degree for transfer for a **Marine Biology Area of Concentration at New College of Florida**. Developmental courses and prerequisite course requirements, credit loads, and/or course availability may affect a student's individual progress. Students should always consult their online degree planner and/or advisor(s) for the catalog year they entered their college and contact their academic advisor to better understand typical course availability and individual program planning.

Course	Credits
ENC 1101 Composition I	3
ENC 1102 Composition II	3
