

### **Degree Pathway – Associate of Arts to NCF Economics**

The following is a recommended sequence of courses for completing the AA degree for an **Economics Area of Concentration** at **New College of Florida**. Developmental courses and prerequisite course requirements, credit loads, and/or course availability may affect a student's individual progress. The program sequences are specifically presented herein for full-time students, beginning their coursework in a fall semester. Students should always consult their online degree planner and/or advisor(s) for the catalog year they entered their college and contact their academic advisor to better understand typical course availability and individual program planning.

	Student Choice		Student Choice
Year 4	Intermediate Micro	Econ related ISP or internship	Thesis Tutorial
	Econ Topics Course #3		Intermediate Macro
	Econ Tutorial #1		Student Choice

### Instructions: Sample 2-Year Pathway

The 2-year pathway is used to show how a student with an Associate's degree could complete the AOC requirements in 2 years.

Students who transfer with an Associate's degree do not have to complete the LAC requirements.

In each cell...

Indicate which AOC courses a student could take in each term to complete the requirements for graduation.
