

Degree Pathway – Associate of Arts to NCF Psychology

The following is a recommended sequence of courses for completing the AA degree for a **Psychology Area of Concentration at New College of Florida**. Developmental courses and prerequisite course requirements, credit loads, and/or course availability may affect a student's individual progress. The program sequences are specifically presented herein for full-time students, beginning their coursework in a fall semester. Students should always consult their online degree planner and/or advisor(s) for the catalog year they entered their college and contact their academic advisor to better understand typical course availability and individual program planning.
