CHAPTER 4 - Academic Affairs

4-4001 Student Exchange Programs

The purpose of this policy is to set forth the policies governing the student exchange programs as outlined in Chapter 288.8175, Florida Statutes.

- (1) There are two exchange programs for students.
 - (a) Plan A. The out-going College student pays to the College a fee which covers the cost of his/her full time registration while on exchange. Full time registration is calculated as 2 credits minus health fees plus 10 credits minus bond and trust fees. The former is used to pay for actual course registration, while the latter goes to the College miscellaneous account. The student is also charged an amount sufficient to cover the cost of a double room and a 20 meal plan for the incoming exchange student as well as for administrative costs involved in running the overall international student exchange program. In this plan, the College student does not pay for registration, room, or meal plan to the other institution while on exchange. Likewise, visiting students will pay fees to his/her home institution but will not pay for registration, room, or meal plan to the College. Registration fees for those students are waived, and the College pays the Division of Housing and Food Services for the room and meal plan from the funds paid by the outgoing students.
 - (b) Plan B. The out-going student pays the same registration and administrative costs as outlined above but pays for housing and meal plan at the exchange school. The visiting student does not pay for registration fees here since they are waived but does pay for his/her room and meal plan.
