**NEW COLLEGE OF FLORIDA
REGULATIONS MANUAL**

CHAPTER 6 - Student Affairs

1. Official complaints must be in writing. Verbal complaints can be made but may be dealt with informally, rather than following the procedure outlined below.
2. Any member of the College community may file a complaint against a student asserting a violation of the Student Code of Conduct. Complaints must be filed in writing with the Office of Student Affairs, (Hamilton Classroom 001, New College, 5800 Bay Shore Road, Sarasota, FL 34243) within a reasonable time following the discovery of the violation. In no event may a complaint be filed later than six (6) months after the time that the event was discovered, or reasonably should have been discovered, except in extraordinary circumstances. A complaint must include the following information:
 - a. The name, address, telephone number, and email address of the person filing the complaint.
 - b. The name of the student or students alleged to have committed the violation, and, if known, their address, telephone number, and email address.
 - c. A statement of the provision or provisions of the Code that have been violated.
 - d. The date when the violation occurred.
 - e. A summary of the conduct or the essential facts asserted to violate the Code.
 - f. The signature of the person filing the complaint.
3. The Office of Student Affairs shall investigate all complaints. Within five (5) business days of the filing of a complaint, the Dean shall determine whether there are reasonable grounds to believe that a violation of the Code has occurred. If it is determined that reasonable grounds exist, pre-hearing procedures will be initiated. At this point the College becomes the Complainant throughout the student conduct process.
4. If at any point the Dean determines that charges are not warranted or that insufficient evidence exists to continue, the charges may be withdrawn. In the event charges are withdrawn, the student shall be notified via mail and email within two (2) business days of the decision.

(b) Pre-hearing Procedure

1. The Dean shall appoint a Student Conduct Officer. The Student Conduct Officer shall be a member of the faculty, administration, or the Office of Student Affairs.
2. The Student Conduct Officer will email and mail, via campus mailbox, a written notice of the charges to the Respondent. Failure to respond to a written notice of charges is a violation of the Code and may result in additional charges. The notice will also remind the Respondent of how to access the Code so that the student can

**NEW COLLEGE OF FLORIDA
REGULATIONS MANUAL**

CHAPTER 6 - Student Affairs

understand the procedures that will be followed. The written notice of charges shall include a statement of the essential facts constituting a violation of the Code.

3. The Student Conduct Officer will conduct a preliminary meeting with the Respondent charged with violation of the Code. The meeting shall be conducted within five (5) business days of the date that the written notice of charges is mailed to the Respondent unless the Respondent provides documentation of extenuating circumstances preventing the Respondent from meeting with the Student Conduct Officer within five (5) business days of the notice being mailed to the student. The preliminary meeting has two purposes:
 - a. To review the alleged violations and charges, the Code of Conduct, the hearing option and process, possible sanctions, as well as to answer any questions the Respondent may have, and
 - b. To give the Respondent the option of acknowledging responsibility for the alleged violation and to accept the sanction proposed by the Student Conduct Officer in accordance with the Code or to contest responsibility and/or the sanction through the hearing process. The decision of the Respondent shall be confirmed in writing.
4. Respondents can choose to have an advisor of their choice present at the preliminary meeting with the Student Conduct Officer. The advisor must be a member of the College community. College employees who have a potential conflict of interest may not serve as an advisor to the Respondent. The advisor can speak with the Respondent during the course of the preliminary meeting, but cannot speak for the student, act as attorney or otherwise participate in the meeting.
5. The Respondent and the Respondent's advisor, if any, shall have the right to inspect all of the information that will be presented during the Community Board hearing at least three (3) business days before the hearing. The College also has the right to review any information the Respondent intends to use at the hearing at least three (3) business days before the hearing.
6. The Dean, in consultation with the President, is authorized to institute interim measures including, but not limited to, removal from on-campus housing, restrictions on attending classes, restriction on attending on-campus activities and, when appropriate, suspension from the College if, in their judgment, the student's continued presence or use of privileges at the College pending the outcome of proceedings, is likely to cause harm to members of the College community. Any interim suspension shall be based upon information gathered in the initial stage of the investigation of student misconduct. Students issued an interim suspension must be provided an expedited emergency hearing within 48 hours of the preliminary hearing conducted by the Student Conduct Officer.

(c) Hearing Procedures

1. Composition of Community Board:

**NEW COLLEGE OF FLORIDA
REGULATIONS MANUAL**

CHAPTER 6 - Student Affairs

- a. Each specific Community Board will consist of six members, three students and three full time, regular members of the faculty or staff, drawn from the available pool of Community Board members who have been vetted and trained annually. A Chair will be selected by the members for each hearing.
 - b. No member of the Board may have a conflict of interest in the proceeding, he/she will not be eligible to serve. The Complainant or the Respondent may request that any member of the Board step down when a conflict of interest exists.
 - c. The Student Conduct Officer shall advise the Community Board during the hearing and, if necessary, provide the tie-breaking vote when the Board decision is evenly split concerning a Respondent's responsibility or sanction.
2. Procedures
- a. All Community Board hearings shall be conducted within fifteen business days of the Respondent's request for a hearing, unless extenuating circumstances require an extension of no more than fifteen additional business days. The Respondent and Complainant shall be given no less than three (3) business days' notice of when and where the hearing will be scheduled. If a Respondent fails to appear without justification, the Board may continue in the Respondent's absence.
 - b. At the start of the hearing the Student Conduct Officer will announce that the proceedings will be recorded and then turn the proceeding over to the Chair.
 - c. Board members shall introduce themselves and individually declare that they have completed the requisite Community Board training.
 - d. The Chair reads the charges against the Respondent and asks the Respondent to state for the record whether the Respondent accepts responsibility for each charge.
 - e. After the Respondent's response to the charges, the Complainant will make a statement to substantiate the allegations and provide any relevant documentation or evidence other than witness testimony. Following the Complainant's statement the Respondent will be allowed to make a statement refuting or contextualizing the information provided by the Complainant and provide any relevant documentation or evidence other than witness testimony. The Respondent may not be forced to present testimony that is self-incriminating. However, the College is not required to postpone disciplinary procedures or actions pending criminal prosecution.
 - f. Following the statements and presentation of evidence by each party, the Complainant will present any witnesses to the alleged violation(s) and ask questions of them. The Respondent will then be permitted to ask questions of those witnesses. After all of the Complainant's witnesses have been questioned

**NEW COLLEGE OF FLORIDA
REGULATIONS MANUAL**

CHAPTER 6 - Student Affairs

by both parties, the Respondent may call witnesses and ask questions of them. The Complainant shall be permitted to ask questions of each of the Respondent's witnesses. Witnesses are only to appear when they need to testify.

- g. The Complainant shall then be allowed to make a closing statement summarizing the evidence presented demonstrating that the Respondent violated the Code of Conduct. Then the Respondent shall be allowed to make a closing statement summarizing the evidence presented demonstrating that the Respondent did not violate the Code of Conduct.
 - h. After hearing all relevant testimony and reviewing all relevant evidence the Board shall determine by majority vote whether it believes the Respondent has violated the Code. If the Board determines that it believes the Respondent is responsible, then it shall meet in private to recommend, again by majority vote, an appropriate sanction in accordance with the Code. The Board's findings will be submitted to the Associate Dean of Student Affairs in writing within 24 hours of the decision being reached. The findings may include dissenting opinions, if any.
 - i. All hearings will be closed to spectators.
 - j. If a hearing involves more than one Respondent, the Dean shall determine whether hearings concerning each Respondent will be conducted separately or jointly. The determination shall be based upon consideration of the fairness of the proceeding to all of the parties. If conducting hearings jointly will prejudice any of the Respondents, the hearings shall be conducted separately.
 - k. Questions and answers from Complainant, Respondent and witnesses shall all be addressed to the Board, not asked directly. Civility and maturity is expected from all parties. The Complainant, the Respondent, as well as members of the Community Board, will have the opportunity to ask questions.
 - l. No information that is not pertinent to the charges will discussed or considered at the hearing. Only after a decision about whether the Respondent is responsible has been reached can past behaviors be considered by the Board with respect to appropriate disciplinary sanctions.
 - m. The burden of proof is on the Complainant. The standard of proof is "preponderance of evidence" and "more likely than not". The question that the Board should consider is whether it is reasonable to conclude from the information submitted that the Respondent committed the offense for which the Respondent has been charged. This burden differs from the criminal law standard of proof "beyond a reasonable doubt." Accordingly, the respondent is found "responsible" or "not responsible," as opposed to guilty or not guilty.
3. Emergency Hearings. The Student Conduct Officer for expedited emergency hearings will be either the Dean or the Associate Dean of Student Affairs.

**NEW COLLEGE OF FLORIDA
REGULATIONS MANUAL**

CHAPTER 6 - Student Affairs

(d) Post-Hearing Procedures

1. Within two (2) business days after receiving the Board's findings and recommendations, the Associate Dean will review and decide whether to adopt, modify, or reject the Board's recommended decision and sanctions. If there are any differences between the recommendations of the Board and the decision of the Associate Dean, such variance from the recommendation shall be explained in writing and presented to the Respondent within that two (2) business day period.
2. The Respondent may appeal the decision of the Associate Dean to the Dean of Student Affairs within five (5) business days of the Associate Dean's decision. The appeal must be in writing and must clearly state the grounds for the appeal. The entire record of the initial hearing will be considered on appeal. The Dean is authorized to contact any participants from the initial hearing for clarification. In considering appeals, the Dean shall determine whether proceedings of the Community Board were conducted fairly and in conformance with the Code, and whether the decision was based upon substantial information, that is, whether there were facts in the case sufficient to support the decision of the Board. The decision of the Dean will be rendered within five (5) business days of receipt of the appeal. The Dean may uphold, amend or overrule the decision of the Associate Dean. Additionally, if appropriate, the Dean may direct that a new hearing be conducted. The decision shall be in writing. A copy will be given to the Respondent and a second copy will be filed in the Dean's office. The Dean's decision shall be final.

(e) A Respondent shall remain eligible to attend classes and College activities pending the College's disciplinary decision and until any appeal is concluded, except as set forth below:

1. In cases where the President or President's designee determines that the health, safety, or welfare of the Respondent or a member of the College community is involved, the Respondent may be temporarily suspended from classes and/or university activities.
2. In cases where the sanction(s) determined by the College official(s) in the disciplinary decision include either suspension or expulsion, the Respondent's privileges at the university, including the ability to attend classes and engage in university activities may be revoked.
3. If a Respondent's privileges are temporarily suspended or revoked as described in this paragraph, but the Respondent is subsequently found not responsible for the violation, the university shall:
 - a. Correct any record of the change in enrollment status in the Respondent's permanent records and reports in a manner compliant with state and federal laws; and

**NEW COLLEGE OF FLORIDA
REGULATIONS MANUAL**

CHAPTER 6 - Student Affairs

- b. Refund to the Respondent a pro rata portion of any charges for tuition and out-of-state fees, as appropriate, if the temporary revocation or suspension of the student's ability to attend classes lasts for more than ten (10) school days.
- (f) Sanctions. Sanctions shall be commensurate with the offense with consideration given to any aggravating or mitigating circumstances. The Board may take into consideration past sanctions for similar infractions. When imposing sanctions, the Board can review the accused student's past disciplinary file and take into consideration past relevant sanctions. The student's past disciplinary file should not be consulted until the Board has determined whether the Respondent is "responsible" or "not responsible." Past behavior must be as documented in the student's discipline file. Any of the following sanctions, or combination of sanctions, can be imposed on a student, group of students, or student organization. Students who are found "not responsible" are not subject to further sanctions.
- 1. Expulsion – Permanent termination of a student's privilege to attend the College, including trespass on campus. In cases where the student resides on campus, the student will be given reasonable time to vacate the residence halls (e.g., 24-48 hours). During the period of the expulsion, all of the student's contact with College departments and services must be through the Office of Student Affairs.
 - 2. Suspension – Termination of a student's privilege to attend the College for a specific period of time, including trespass on campus. In cases where the student resides on campus, the student will be given reasonable time to vacate the residence halls (e.g., 24-48 hours). During the period of the suspension, all of the student's contact with College departments/services must be through the Office of Student Affairs.
 - 3. Exclusion from the Residence Halls – permanent or temporary termination of the student's privilege to live in the New College Residence Halls. In cases where the student currently resides on campus, the student will be given reasonable time to vacate the residence halls (e.g., 24-48 hours). During the period of the Residence Hall expulsion, the student is in effect trespassed from using any of the Residence Halls, attending social gatherings in and around the halls, visiting friends or acquaintances in the halls or using the residence hall facilities or the residential life's staff services.
 - 4. Disciplinary Probation – An official warning that the student's continued enrollment depends upon the maintenance of satisfactory citizenship during the period of disciplinary probation. A favorable recommendation to outsiders normally will not be furnished during the period of disciplinary probation. When disciplinary probation is imposed as a sanction, the student should be advised of the consequences of violation of the disciplinary probation. In the event disciplinary probation terms or conditions are violated, the Dean will impose the consequences of the disciplinary probation violation.
 - 5. Restrictions and behavioral contracts – Conditions imposed on a student that specifically dictate and limit the future presence on campus and participation in College-related activities. The restrictions involved will be clearly identified and can

**NEW COLLEGE OF FLORIDA
REGULATIONS MANUAL**

CHAPTER 6 - Student Affairs

include a restraining order forbidding the Respondent from all contact with individual members of the College community. Restrictions also can include denial of the privilege to operate a motor vehicle on campus, denial of participation in certain activities/events/organizations, denial of access to use of College services, and denial of presence in certain buildings or locations of campus.

6. Involuntary withdrawal – College withdrawal of student from enrollment and student status.
 7. Restitution and/or fine – A set monetary fee or payment for injury in cases involving theft, destruction of property, etc.

- (g) Time Frames. Minor deviations in any time frame, time period, or time limitation set out in the Code are acceptable if they are not prejudicial to the College or the student. However, any deviation from the time frame shall be both noted and explained in the record.
- (h) Status of Written Decisions or Appeals. Complaints, written decisions of the Board, and written decisions in appeal proceedings and any other written material submitted with regard to student conduct proceedings shall be treated as student records subject to confidentiality requirements of federal and State of Florida law. The records of Student Code of Conduct proceedings shall be kept separate from a student’s academic records and maintained by the Office of the Dean of Student Affairs in a secure file. These records shall be destroyed ten years after the student’s termination of enrollment at the College.
- (7) Academic Dishonesty and Disruption of Academic Process
- (a) Plagiarism: Plagiarism is defined as “literary theft” and consists of the unattributed quotation of the exact words of a published text, or the unattributed borrowing of original ideas by paraphrase from a published text. On written papers for which the student employs information gathered from books, articles, web sites, or oral sources, each direct quotation, as well as ideas and facts that are not generally known to the public at large, or the form, structure, or style of a secondary source must be attributed to its author by means of the appropriate citation procedure. Only widely known facts and first-hand thoughts and observations original to the student do not require citations. Citations may be made in footnotes or within the body of the text. Plagiarism also consists of passing off as one’s own segments or the total of another person’s work.

(b) Cheating. Cheating is defined as follows:

1. the unauthorized granting or receiving of aid during the prescribed period of a course-graded exercise: students may not consult written materials such as notes or books, may not look at the paper of another student, nor consult orally with any other student taking the same test;
2. asking another person to take an examination in his/her place;
3. taking an examination for or in place of another student;
4. stealing visual concepts, such as drawings, sketches, diagrams, musical programs and scores, graphs, maps, etc., and presenting them as one's own;
5. stealing, borrowing, buying, or disseminating tests, answer keys or other examination material except as officially authorized, research papers, creative papers, speeches, etc.;
6. stealing or copying computer programs and presenting them as one's own. Such stealing includes the use of another student's program, as obtained from the magnetic media or interactive terminals or from cards, print-out paper, etc.

(c) Procedures for Handling Student Violations Involving Alleged Academic Dishonesty and Disruption of Academic Process:

1. An apparent violation of academic honesty is handled initially by the instructor, who will discuss the incident with the student. The student may request a meeting with his/her contract sponsor and the instructor to discuss the incident further. The instructor should contact the student's contract sponsor and the Dean of Studies to inquire whether the student has engaged or allegedly engaged in academic dishonesty in the past.
2. If the instructor decides, after the procedures in step (1) above, that further action is warranted, he or she will inform the student that the issue is being referred to the Dean of Studies.
3. The Dean of Studies may meet with the faculty member(s) and/or the student to resolve the issue or may convene a hearing board consisting of an equal number of students and faculty. The hearing board shall review evidence, hear witnesses, and consider all related matters. The Dean of Studies will provide the student with no less than 5 days' notice prior the hearing. The respondent may have an advisor present, at the respondent's own cost. If scheduling difficulties arise due to the availability of said advisor, the hearing will proceed regardless.
