

**NEW COLLEGE OF FLORIDA
REGULATIONS MANUAL**

CHAPTER 3 - Administrative Affairs

3-5001 Use of NCF Space

This regulation governs the scheduling and use of campus facilities by faculty, staff, and students, as well as non-affiliated individuals and groups. Scheduling will be centralized through the use of one software system serving the NCF community. The use of New College of Florida space is hereby delegated to the President, who shall develop such policies as needed to effectively manage the use of space to serve the academic, research and public service mission of the College.
