<u>Degree Pathway – Associate of Arts to NCF Psychology</u>

This Degree Pathway supplements that Memorandum of Understanding between St. Petersburg College and New College of Florida effective as of February, 2023.

In the table below, the courses a student completes at SPC meet the NCF requirements for a Psychology area of concentration on a course by course basis. Where no comparable courses exist, the space for the course name is left blank. Students should always consult their online degree planner and/or advisor(s) for the catalog year they entered their college and contact their academic advisor to better understand typical course availability and individual program planning.
