

Degree Pathway – Associate in Arts to NCF Marine Biology

This Degree Pathway supplements that Memorandum of Understanding between Pasco-Hernando State College and New College of Florida effective as of May 1, 2023.

In the table below, the courses a student completes at PHSC meet the NCF requirements for a Marine Biology area of concentration on a course by course basis. Where no comparable courses exist, the space for the course name is left blank. Students should always consult their online degree planner and/or advisor(s) for the catalog year they entered their college and contact their academic advisor to better understand typical course availability and individual program planning.
