

Degree Pathway – Associate in Arts to NCF Biology

This Degree Pathway supplements that Memorandum of Understanding between Valencia College (VC) and New College of Florida (NCF) effective as of APRIL 19, 2023.

In the table below, the courses a student completes at VC meet the NCF requirements for a Biology area of concentration on a course by course basis. Where no comparable courses exist, the space for the course name is left blank. Students should always consult their online degree planner and/or advisor(s) for the catalog year they entered their college and contact their academic advisor to better understand typical course availability and individual program planning.
