

Join us

Join us for one of Sarasota's most cherished events, the 44 th annual New College Foundation Soiree on the Bay, Clambake!

The event will take place on Thursday, November 2, 2023 at 6pm at College Hall on the stunning New College bayfront. This time-honored fundraising event raises hundreds of thousands of dollars, allowing New College to attract outstanding students from around the nation, region and world and providing them with a truly exceptional liberal arts education. Last year's event raised more than \$530,000 – the most ever in the event's history. This year, New College of Florida will share its vision to create a world-class Master's program in areas such as Marine Mammal Science, Environmental Economics, Educational Leadership and Data Science.

Scholarships and enhancements are an essential component to attracting outstanding students from around the region, nation, and world and providing them with a truly exceptional liberal arts education. While New College is a public institution, state funding covers only a portion of the cost of maintaining our status as a national leader in education. The scholarship program closes the gap.

Please review the enclosed sponsorship opportunities and invest in the future of New College students. You won't want to miss the New England fare catered by Michael's on East, wine by a notable featured winemaker, entertainment, and a breathtaking sunset on Sarasota Bay. Don't miss the opportunity to be involved in one of Sarasota's most popular philanthropic events for more than four decades.

Best regards,

Elizabeth & Don

Elizabeth Moore and Don Patterson
Clambake Co-Chairs
