

# COACHES CLUB

2024-2025 Academic Year

## What is the Coaches Club program?

The Coaches Clubs provide supporters of New College Athletics an exclusive opportunity to direct their financial support to the coaching staff and team of their choice. Every dollar given to the Coaches Clubs is immediately directed to the program of your designation in order to provide urgent needs not covered in the team's annual budget.

## Why give?

Funds from the Coaches Clubs are a major component in helping athletic programs at New College compete at the highest level of collegiate athletics. Coaches Clubs helps develop elite talent into championship student-athletes both in the classroom and in competition.
