MIGHTY BANYAN RETENTION CHATBOT

67% of newly deposited students excited to live on campus

A recent chatbot campaign helped Admissions collect data on incoming students' housing preferences and reminded them to secure their places by the May 20th deadline.

6 out of 10 students not graduating this term plan to return to campus this fall

Our April 17th persistence campaign showed the distribution of responses with 23% being unsure, 12% saying no and a grand total of 86 responses.

RESULTS FROM MONITORING STUDENT PROGRESS II

MSPR₂

APRIL 8TH-15TH

MSPR assesses all currently enrolled students' mid-term progress. 2024 Mod 1 check-ins kicked off on Feb 14th and wrapped up on March 4th. We updated our reportings for Mod 2 from April 8th to April 15th, 2024. Fortunately, MSPR₂ was a hit, with 98% of professors chiming in on their students' progress. Thank you for the tremendous response!

3% average rise in reported concerns from Mod 1 to Mod 2.

New College faculty keep the show running, juggling administration, teaching, research and so much more!
