**Memorandum of Understanding between  
Daytona State College and New College of Florida  
Guaranteed Admission Program**

**PURPOSE OF THIS MEMORANDUM:**

The purpose of this Memorandum of Understanding ("MOU") is to memorialize an agreement between Daytona State College ("DSC") and New College of Florida ("NCF") to ensure qualified DSC students are guaranteed admission to NCF upon successful completion of an Associate of Arts ("AA") degree from DSC and application for admission to NCF. Students will use a prescribed academic pathway ("Pathway") while at DSC to ensure transfer entrance to associated NCF academic areas of concentration. Each Pathway will describe the curriculum a student should complete while pursuing their AA for a specified area of study at NCF. All Pathways shall be in writing and executed by authorized representatives of DSC and NCF and shall be incorporated into this MOU as supplemental addenda. Students eligible for the Guaranteed Admission Program ("GAP") will be expected to earn an Associate of Arts degree ("AA") within eight (8) semesters, not to exceed thirty-two (32) months, from the time the student enrolls at DSC as a non-high school attending student ("Transfer"), or within four (4) academic years for a dual enrolled high school student who will earn an AA concurrent with their high school diploma ("DE Student"), and maintains a minimum cumulative college GPA of 3.00.

**PURPOSE AND OVERVIEW OF THIS PROGRAM:**

The primary purpose of the GAP is to increase access for intellectually engaged, high achieving students to enroll and complete degrees at both DSC and NCF. Further, the GAP will allow for more students within the State of Florida to remain in the state to pursue higher degrees of education to positively impact the state economy. These students will receive support and mentoring to guarantee the applicants' admission to NCF upon completion of an AA at DSC. The students at DSC will be closely monitored by academic advisors to ensure proper advisement occurs for coursework necessary to transition to NCF. All Pathway courses shall be completed prior to official enrollment at NCF; provided, the Pathway courses have been offered at DSC during the students' enrollment. If DSC has not offered Pathway courses during the students' enrollment at DSC, NCF will consider reasonable alternatives on a case-by-case basis. DSC students shall be held to the standards of each institution's Student Code of Conduct and Honors Code.

**TARGET AUDIENCE:**

Any DSC student who is interested in transferring to NCF after completing an AA at DSC.

**COMMITMENTS FROM DSC:**

- Identify students who may be interested in NCF.
- Track potential NCF students for the GAP program.
- Communicate to students about student engagement opportunities at DSC and NCF.
- Provide appropriate reports on progress of students; subject to FERPA.
- Advise students appropriately to ensure that necessary coursework is met for admissions into NCF.
- Refer interested students to either NCF's Transfer Admissions Coordinator for Transfer students, or freshmen admissions coordinators for DE Students for appropriate admissions advising or questions.

**COMMITMENTS FROM NCF:**

- Provide regular curriculum updates to DSC.
- Provide DSC with data on success stories of DSC GAP transfer students.

- Provide graduation data for GAP students commencing with the graduation of the first cohort of students transferring under this MOU.
- Invite students to attend information sessions with details on NCF's admissions process and points of contact.
- Provide welcome/encouragement letter to students that have self-identified as pursuing GAP admission.
- Encourage GAP students to attend activities (academic/social programming) to make connections with NCF students.
- Admit students who have satisfied the requirements outlined herein, who apply as a Transfer student or DE Student to NCF.
- Award to each DSC student admitted to NCF one or more annually renewing scholarship in an amount consistent with NCF's scholarship guarantee programs and their established associated policies for the student's enrollment term and status as either a Transfer or DE Student.

### **TERM OF THIS MOU**

This MOU shall take effect on August 1, 2021 and remain in place for one (1) year. It shall automatically renew on an annual basis unless either institution provides the other institution written notice no later than one hundred twenty (120) days prior to the expiration of the preceding term that it wishes to terminate this MOU. If either institution fails to follow the terms and conditions of the MOU, as set forth herein, the other institution has the right to terminate this MOU immediately upon written notice. If this MOU is terminated, the status of the students matriculated, enrolled, or accepted in programs contemplated under this MOU shall not be affected.

### **OPERATIONAL DETAILS:**

- DSC and NCF will meet to review MOU and make appropriate amendments and/or addenda when either party identifies a need to do so.
- DSC and NCF academic administrators will communicate annually and may meet to address the unique academic needs of both institutions. Administrators or designees will review regional academic programming needs and plans with a particular focus on baccalaureate degree offerings.
- DSC and NCF will identify members in their respective institutions to monitor the progress of the students and the program.
- If either institution requests a change to a Pathway, the institutions will cooperate to develop and execute a new Pathway.
