

**Memorandum of Understanding between
St. Petersburg College and New College of Florida
Guaranteed Admission Program**

PURPOSE OF THIS MEMORANDUM:

The purpose of this Memorandum of Understanding (“MOU”) is to memorialize an agreement between St. Petersburg College (“SPC”) and New College of Florida (“NCF”) to ensure qualified SPC students are guaranteed admission to NCF upon successful completion of an Associate of Arts (“AA”) degree from SPC and application for admission to NCF. Students will use a prescribed academic pathway (“Pathway”) while at SPC to ensure transfer entrance to associated NCF academic areas of concentration. Each Pathway will describe the curriculum a student should complete while pursuing their AA for a specified area of study at NCF. All Pathways shall be in writing and executed by authorized representatives of SPC and NCF and shall be incorporated into this MOU as supplemental addenda. Students eligible for the Guaranteed Admission Program (“GAP”) will be expected to earn an Associate of Arts degree (“AA”) within eight (8) semesters, not to exceed thirty-two (32) months, from the time the student enrolls at SPC as a non-high school attending student (“Transfer”), or within four (4) academic years for a dual enrolled high school student (“DE Student”), and maintain a minimum cumulative college GPA of 3.00.

PURPOSE AND OVERVIEW OF THIS PROGRAM:

The primary purpose of the GAP is to increase access for intellectually engaged, high achieving students to enroll and complete degrees at both SPC and NCF. Further, the GAP will allow for more students within the State of Florida to remain in the state to pursue higher degrees of education to positively impact the state economy. These students will receive support and mentoring to guarantee the applicants’ admission to NCF upon completion of an AA at SPC. The students at SPC will be closely monitored by academic advisors to ensure proper advisement occurs for coursework necessary to transition to NCF. All Pathway courses shall be completed prior to official enrollment at NCF; provided, the Pathway courses have been offered at SPC during the students’ enrollment. If SPC has not offered Pathway courses during the students’ enrollment at SPC, NCF will consider reasonable alternatives on a case-by-case basis. SPC students shall be held to the standards of each institution’s Student Code of Conduct and Honors Code.

TARGET AUDIENCE:

Any SPC student who is interested in transferring to NCF after completing an AA at SPC.

COMMITMENTS FROM SPC:

DATA SHARING

The parties agree to share data on current and prospective students consistent with the restrictions imposed by state and federal laws and statutes. Data sharing will improve the quality of processes, increase student engagement and learning, and advance public accountability. SPC and NCF will provide an annual report every September (or agreed upon month) to report on the previous academic year. Other technical details of data sharing will be determined by mutual agreement of the parties.

REVERSE TRANSFER

NCF will identify students transferring without the A.A. from SPC, track progression, and once appropriate coursework has been completed, share student data with SPC to allow the A.A. degree to be awarded

TERM OF THIS MOU

This MOU shall take effect on the date of the last signature below and remain in place for one (1) year. It shall automatically renew on an annual basis unless either institution provides the other institution written notice no later than one hundred twenty (120) days prior to the expiration of the preceding term that it wishes to terminate this MOU. If either institution fails to follow the terms and conditions of the MOU, as set forth herein, the other institution has the right to terminate this MOU immediately upon written notice. If this MOU is terminated, the status of the students matriculated, enrolled, or accepted in programs contemplated under this MOU shall not be affected.
