AAC Meeting Agenda
October 29, 2026

- Proposed changes to fall contract and evaluation deadlines (ML)
- Priority registration for 4th years? (DR)
- Cumbersome process for students to spend SRTG funds for science (and perhaps other?) supplies - can it be streamlined? (AC)
- Request for update on the new STEM labs and questions about space allocation (AC)
- Protocol for external ISPs (RB)
- Follow up on Socratic Experience (RB)
